CANUS GOAT'S MILK LIP BALM Ever wondered why goat's lips are so soft? The reason is simple, it's because of the Canus Goat's Milk Lip Balm! Lightly fragranced with a hint of spearmint, Canus has combined goat's milk with a non-petroleum base and has managed somehow to get it all into one of those little tubes. In order to stay away from those yucky waxy petroleum formulations, Canus has combined goat's milk with virgin olive oil, organic beeswax, organic soybean oil, organic hemp seed oil and spearmint essential oils.
